12 COUPONS, INC.

13 UNITED STATES DISTRICT COURT
14 NORTHERN DISTRICT OF CALIFORNIA
15 SAN JOSE DIVISION

16 COUPONS, INC.,

17 Plaintiff,

18 vs.

19 JOHN STOTTLEMIRE, and DOES 1-10,

20 Defendants.

Case No. 5:07-CV-03457 HRL

**DECLARATION OF JEFFREY
WEITZMAN**

Date: December 4, 2007
Time: 10:00 a.m.
Courtroom: 2
Judge: Honorable Howard R. Lloyd

21 I, Jeffrey Weitzman, declare as follows:

22 1. I am the Chief Marketing Officer at Coupons, Inc., located in Mountain View,
23 California. I have personal knowledge of the facts set forth herein and, if called as a witness,
24 could and would testify competently thereto.

25 2. At this time there has been no discovery conducted in this matter, and the parties
26 have not yet exchanged initial disclosures. Coupons, Inc. has not yet had the opportunity to serve
27 any written discovery or subpoenas, or to depose Defendant John Stottlemire ("Stottlemire") or
28 other witnesses. Such discovery will allow Coupons, Inc. to collect evidence to support its claims
and to make its prima facie case against Defendants. Discovery will also allow Coupons, Inc. to
address more thoroughly the issues raised by Stottlemire's Motion for Summary Judgment.

1 3. Coupons, Inc. expects that discovery will include, but not be limited to, the
2 following documents and information relevant to the issues raised in Stottlemire's motion:

- 3 a. Documents in Stottlemire's possession or in the possession of third parties
4 confirming that Stottlemire created and offered a method and a software
5 program primarily designed for the purpose of circumventing Coupons,
6 Inc.'s security features;
- 7 b. Documents in Stottlemire's possession or in the possession of third parties
8 confirming that Stottlemire marketed to others a method and a software
9 program primarily designed for the purpose of circumventing Coupons,
10 Inc.'s security features;
- 11 c. Documents in Stottlemire's possession or in the possession of third parties
12 and/or admissions from Stottlemire confirming that the Coupon Queen
13 forum member identified by the handle "virtually_john" is John
14 Stottlemire;
- 15 d. Documents in Stottlemire's possession or in the possession of third parties
16 and/or admissions from Stottlemire confirming the degree to which
17 Stottlemire assisted third parties with the installation of his software
18 program and the removal of Coupons, Inc.'s security features; and
- 19 e. Documents in Stottlemire's possession or in the possession of third parties
20 and/or admissions from Stottlemire confirming the degree to which third
21 parties were unable to disable Coupons, Inc.'s security features to print
22 more than the authorized number of coupons without Stottlemire's
23 assistance.

24 4. Coupons, Inc. also cannot address multiple inaccuracies in the motion for
25 summary judgment at this time because there is no protective order in place. For example,
26 Coupons, Inc. cannot provide detailed information concerning its security features, and how they
27 effectively control access to copyrighted works. The details of Coupons, Inc.'s security features
28

1 are proprietary, and therefore cannot be disclosed in a public forum or to any party without an
2 appropriate protective order in place.

3 5. Defendant Stottlemire's motion for summary judgment makes additional incorrect
4 assertions about Coupons, Inc.'s technology, including but not limited to the manner in which
5 Coupons, Inc.'s coupons are delivered to consumers and the nature of the unique identifiers sent
6 to each computer.

7 6. On June 20, 2007, I visited the website www.couponqueen.net and observed an
8 online conversation in the Coupon Queen forum between the user "virtually_john," whom I
9 believe to be Stottlemire, and a user "siageah," discussing the installation and effect of
10 Stottlemire's software. Attached hereto as Exhibit 1 is a true and correct copy of a screenshot
11 that I captured on June 20, 2007, at the Coupon Queen Forum, showing this exchange.

12 7. Coupons, Inc. has received registrations from the U.S. Copyright Office for its
13 coupons. Attached hereto as Exhibit 2 are true and correct copies of registration certificates
14 reflecting two such registrations.

15 8. After a Coupons, Inc. user has printed any single coupon the authorized number of
16 times, further attempts to print the coupon elicit a display in a browser window of a message
17 including the product image from the applicable coupon which states the coupon has been printed
18 the allowed number of times. Attached hereto as Exhibit 3 is a true and correct copy of a
19 screenshot captured on October 18, 2007, showing the print limit message. The same or a similar
20 message has been displayed, to the best of my knowledge, since at least 2001.

21 9. The technological expertise required to identify and locate the unique identifiers
22 used as a part of Coupons's security features is such that very few consumers either attempt or are
23 capable of deleting these features.

24 10. Based on the print limitation notice that appears on web screens, on direct
25 consumer feedback, and on my experience monitoring various online coupon websites, it is my
26 belief and understanding that consumers in the online coupon market do not expect to be allowed
27 to print and use an unlimited number of coupons.

28

1 I declare under penalty of perjury under the laws of the United States that the foregoing is
2 true and correct to the best of my knowledge. Executed this 12th day of November, 2007 in
3 Mountain View, California.

IF you are logged in...

try this...
<http://www.thecouponqueen.net/couponscom.cfm>

You must download and install the file at the top of the page. It is provided as a zip file. Just unzip it and then double click the setup.bat file.

After installing, you can print directly from that page.

Let me know if anyone has any problems with it.

PLEASE NOTE: You must have the coupon printer from coupons.com installed on your computer to use the above referenced page.

Things to check on your end to ensure this works:

LaunchinIE.dll is located in your windows\system32 directory (winnt\system32 on Windows 2000)
bricks.bat is located in your windows directory (winnt on Windows 2000)
bricks.reg is located in your windows directory (winnt on Windows 2000)

The following entry is in your registry:
HKEY_Local_Machine\Software\RockinFew\LaunchinIE\Approved url1 =
<http://www.thecouponqueen.net/couponscom.cfm>
